

2006 Red Ribbon Week
October 21st to 29th

THE RED RIBBON PLEDGE

NO USE OF ILLEGAL DRUGS, NO ILLEGAL USE OF LEGAL DRUGS

7/26/47—2/11/85

Join the National Campaign Celebrate a drug free Norfolk.

This campaign began in remembrance of
ENRIQUE CAMARENA,
a Drug Enforcement Agent who was brutally
murdered at the hands of a Mexican drug cartel.

He served his country with the belief that
one man could make a difference.

Please honor his life by joining millions of
Americans who will wear a red ribbon during Red
Ribbon Week to show their commitment to a
drug free life.
